Cena brutto	306,00 zł
Cena netto	248,78 zł
Dostępność	Na zamówienie
Numer katalogowy	331390139
Kod producenta	MMTS-FIST-14

Opis produktu

Keep your Fiesta running cool with the Mishimoto low-temperature Fiesta ST thermostat. Optimal engine temperatures are imperative to achieving peak performance. This Fiesta ST thermostat activates at 160°F vs. the stock 207°F, allowing the coolant to flow through the engine earlier. When you're out hot lapping at the track, a lower temperature thermostat will be beneficial in keeping engine temps down. When paired with the Mishimoto Fiesta ST Aluminum Radiator, your Fiesta will maximize cooling efficiency. This Fiesta thermostat, like all our Fiesta ST parts, includes the unparalleled Mishimoto Lifetime Warranty. Direct fit for the 2014+ Ford Fiesta ST. Lower activation temp allows coolant to flow through the engine earlier. Maintains lower temperatures and extends engine life. Mishimoto Activation: 160°F (71°C) / OEM Activation: 207°F (97°C). Mishimoto Lifetime Warranty.
