Opis produktu

Tłumik dedykowany HYUNDAI Accent 1994-1999 HATCHBACK 1.3i 44/55/62kW

The Ulter sports muffler is an excellent option for drivers wishing to improve the efficiency of their exhaust system and at the same time enhance the appearance of their car. The silencers are characterised by an ear-pleasing, gentle bass sound, which adds a sporty touch even to series cars.

Ulter silencers are made of high-quality steel, which has been coated with an outer and inner layer of aluminium (aluminised steel) to provide protection against corrosion. In addition, the silencer has been coated with a paint that is resistant to high temperatures. Polished stainless steel is used for silencer tip, ensuring that the visual effect stays at the highest level.

The correct dimensions, appropriate bends, precisely selected pipe diameters and mounting brackets make the product a perfect fit for the car, and installation is reduced to a standard replacement, with no modifications required. The product meets the sounds standards of the highway code, if the rest of the exhaust is left in standard specification. Premium series silencers come with a 5-year manufacturer's warranty.

- Ilość końcówek: 1
- Kształt końcówki: owalny
- Rozmiar końcówki [mm]: 95x65
- Homologacja: tak
- Pasuje do:
