Opis produktu

This part will come with some small cosmetic damage - please see images above for more detail. This does not affect the Forge lifetime warranty on product failure

Forge motorsport are proud to present our solid billet strut braces for the superb Toyota Supra A90. Made in Great Britain and machined from 6082 Alloy, they will not only improve the aesthetics of your engine bay they will also help to reduce chassis flex, which in turn, will aid to improve your vehicles handling.

The strut braces have been anodised gloss black to prevent surface corrosion and are also supplied with stainless steel fasteners to ensure the highest quality is met. As with all Forge Motorsport products, these carry our no quibble lifetime guarantee.
