Kod producenta	<b>ES-LISF-CBS</b>

### Opis produktu

Harness the performance and true sound of your Lexus IS F V8 engine with the XFORCE twin-exit cat-back exhaust system. Constructed of 304-grade stainless steel and TIG welded throughout to aid aesthetics and reliability, the twin oval rear muffler setup harnesses the incredible IS F soundtrack and thanks to the carefully designed internals, takes it to a whole new level of both sound level and tone. Further aiding this systems good looks is the matte finish throughout, whilst the factory exhaust trims are easily re-used to maintain an OEM fit and look within the rear diffuser. Stainless steel cat back Matte finish Twin 2.25" Oval rear mufflers Utilising factory bumper tips Image for reference only, system not polished Xforce offers a range of uniquely engineered and designed stainless steel bolt on exhaust systems. Theses exhaust systems bolt directly to existing mounting points making installation easy. They are built to perform well, with materials designed for longevity and like all Xforce exhaust systems they look and sound great! - make it roar!
