### Opis produktu

Getting the best sound performance out of your Mazda RX8 Series 1 couldn't be easier with the XFORCE 304-grade stainless steel cat-back exhaust system. Using a 3" bore system throughout for maximum performance, our engineering team ensured that only the exhaust sound you desire is transmitted into the cabin, thanks to the inclusion of an anti-drone canister. The high-flow rear muffler further adds to the audible performance boost with the rear finished off with a pair of 4" polished stainless tailpipe trims. 3" Pipe workPolished stainless steelAnti drone canisterDual side outlet rear muffler4" polished stainless steel tips Xforce offers a range of uniquely engineered and designed stainless steel bolt on exhaust systems.Theses exhaust systems bolt directly to existing mounting points making installation easy.They are built to perform well, with materials designed for longevity and like all Xforce exhaust systems they look great!The unique header design increases power throughout the rev range, while providing a great engine audio note - make it roar!
