Kod producenta	ESBM140VKCS

Opis produktu

Unleash the true sound of your BMW M140i with the XFORCE cat-back exhaust system, complete with VAREX valve control. Constructed of 304-grade stainless steel, the XFORCE twin 2.5" collecting to 3" piping system and race-style rear muffler helps reduce exhaust gas pressure for enhanced performance, whilst the integrated VAREX exhaust valve gives you control over your exhaust volume, all from the touch of a button! Not only do you get an exhaust system that lets you adjust how you your exhaust sounds, you also get enhanced looks too thanks to the brushed finish, precision TIG welds and a 4" polished tips Oem size splitting to twin 2.5" then collecting to 3" at rear Brushed 304 stainless steel Varex rear muffler Slip joint connections 4" 304 polished tips Xforce offers a range of uniquely engineered and designed stainless steel bolt on exhaust systems. Theses exhaust systems bolt directly to existing mounting points making installation easy. They are built to perform well, with materials designed for longevity and like all Xforce exhaust systems they look and sound great! - make it roar!
