Opis produktu

Xforce offers a range of uniquely engineered and designed stainless steel bolt on exhaust systems. These exhaust systems bolt directly to existing mounting points making installation easy. They are built to perform well, with materials designed for longevity and like all Xforce exhaust systems they look great! The unique header design increases power throughout the rev range, while providing a great engine audio note - make it roar! VAREX mufflers utilize the patented technology to combine both the design technology of the stock muffler and the performance muffler into one single compact unit. Polished 304 stainless steel Twin 3" pipe work Hotdog style resonators centre section Oval Varex rear mufflers Quad 3.5" stainless steel double wall tips Will only fit on 2016 onwards Camaro V8 coupe Will not fit convertible
