Opis produktu

Xforce offers a range of uniquely engineered and designed stainless steel bolt on exhaust systems. These exhaust systems bolt directly to existing mounting points making installation easy. They are built to perform well, with materials designed for longevity and like all Xforce exhaust systems they look great! The unique header design increases power throughout the rev range, while providing a great engine audio note - make it roar! Twin 3" system Polished stainless steel Centre resonators Varex rear mufflers 3.5" polished tips Will not fit with towbar For factory Bimodal vehicles, The factory valves are required to stay connected as CEL will be activated
