Opis produktu

Getting the best sound performance out of your Ford Mustang couldn't be easier with our 304-grade stainless steel cat-back exhaust system. Using a 2.5" bore throughout, the centre resonator feeds a pair of VAREX-equipped oval mufflers with dual 4" slant-cut, polished tailpipe trims puts you in control of your 5.0 V8, or 2.3-litre EcoBoost – all at the touch of one of the supplied keyfob buttons. Sound volume and tone are both greatly enhanced as part of this great value bolt-on performance exhaust system. twin 2.5" cat-back system Polished stainless steel pipe work Dual side oval Varex rear mufflers 4" tip outlet Xforce offers a range of uniquely engineered and designed stainless steel bolt on exhaust systems. These exhaust systems bolt directly to existing mounting points making installation easy. They are built to perform well, with materials designed for longevity and like all Xforce exhaust systems they look great! The unique header design increases power throughout the rev range, while providing a great engine audio note – make it roar!
