Opis produktu

Xforce is excited to announce an all-new offering for the Honda Civic Type R FK8 which comprises of a Cat-Back Exhaust System and a Downpipe & Cat kit! Ushering in our new era of design and engineering, the ground-up developed system features a brushed finish with stainless steel pipework, equipped with VAREX Valve Technology and is finished with three 4" polished stainless tips. A 4" Downpipe & Cat Kit also joins the new range, featuring a cast stainless steel top, 4" inlet to 3" pipework outlet and includes a heat shield from the factory. Please see the related items section
