Opis produktu

Give your VW Golf R MK7 the ultimate soundtrack with the XFORCE cat-back exhaust system, complete with VAREX valve control. Constructed of 304-grade stainless steel, the XFORCE high-flow 3" bore system and race-style rear muffler helps reduce exhaust gas pressure for enhanced performance, whilst the integrated VAREX exhaust valve gives you control over your exhaust volume, all from the touch of a button! Not only do you get an exhaust system that lets you adjust how you your exhaust sounds, you also get enhanced looks too thanks to the brushed finish, precision TIG welds and a choice of 4" quad exhaust tailpipe trims. 3" Pipe workBrushed finish stainless steel pipe workHot Dog resonatorPolished Varex Race rear mufflerQuad 4" polished stainless tip outlet Xforce offers a range of uniquely engineered and designed stainless steel bolt on exhaust systems. Theses exhaust systems bolt directly to existing mounting points making installation easy. They are built to perform well, with materials designed for longevity and like all Xforce exhaust systems they look and sound great! - make it roar!
