Kod producenta	ES-VW08VMK-CBS

Opis produktu

Unlock your **Volkswagen Golf GTI MK 7 / MK 7.5** true exhaust sound output with the **XFORCE** cat-back exhaust system, complete with **VAREX**.

Adjusting your sound output and tone is achieved via the **VAREX**-equipped centre muffler via the supplied remote control. To allow owners to customise their sound output even further, this system is also supplied with an optional resonator-delete pipe to further fine-tune your required sound level and tone.

Packed with neat feature detail, such as the die-cast branded rear split-pipe, the mandrel bent 3" stainless steel system also packs a performance punch, ensuring a reduction in exhaust back-pressure, whilst delivering in terms of sound and looks, being supplied with a 4" polished stainless steel tailpipe trim.

- Brushed stainless steel
- 3" pipe work
- Straight through centre resonator
- Option res delete pipe included
- Varex second muffler
- Straight pipe rear
- 4" polished stainless steel tips

Xforce offers a range of uniquely engineered and designed stainless steel bolt on exhaust systems. These exhaust systems bolt directly to existing mounting points making installation easy. They are built to perform well, with materials designed for longevity and like all Xforce exhaust systems they look and sound great! - make it roar!
