### Opis produktu

Give your VW Golf MK8 R the ultimate soundtrack with the XFORCE cat back exhaust system, complete with VAREX valve control. Constructed of 304-grade stainless steel, the XFORCE high-flow 3" bore system and race-style rear muffler helps reduce exhaust gas pressure for enhanced performance, whilst the integrated VAREX exhaust valve gives you control over your exhaust volume, all from the touch of a button! Not only do you get an exhaust system that lets you adjust how you your exhaust sounds, you also get enhanced looks too thanks to the brushed finish, precision TIG welds and a choice of 4" quad exhaust tailpipe trims. 3" Brushed finish stainless steel pipe work Hot Dog resonator centre Drone reduction pipe Polished Varex R series rear muffler Quad 4" polished stainless tip outlet
