Opis produktu

Keep high fluid temperatures at bay with a Mishimoto Universal Transmission Fluid Cooler! This cooler features a highly efficient 20" x 7.5" x 0.75" tube-and-fin core that promotes dramatic temperature drops. Mishimoto universal fluid coolers are applicable for use with transmission fluid, engine oil, power steering fluid, and a variety of other automotive fluids. This ready-to-install kit includes 5' of durable rubber hose, a universal mounting kit, and a four worm-gear clamps for secure connections. The universal mounting kit provides installation flexibility to fit any application. This cooler utilizes 3/8" push-on fittings, perfect for use as a replacement for a damaged factory cooler, or as an upgrade to a vehicle not equipped with a liquid-to-air cooler. As with all our products, this fluid cooler includes the Mishimoto Lifetime Warranty. Universal mounting for use in any application. Height: 7.5" / Length: 23.75" / Core Length: 20" / Core Thickness: 0.75" 3/8" push-on fittings for ease of installation. Includes 5 ft. of durable rubber hose, a universal mounting kit, and 4 worm-gear clamps. Mishimoto Lifetime Warranty.
