Opis produktu

For motorcycles we have a series of 'pod' style air filters designed to clamp onto the engine air intake(s). These allow maximum air flow at all times. Comes with clip for attachment. All of our foam pod filters come with a lifetime single user guarantee against manufacturing defects. Image is for illustration, you are purchasing a single filter with the specified dimensions. We have spent years designing the optimum intake/induction filter kits for fast road and high performance use. Pod Filter Features High performance twin layer foam Easy to clean using hot soapy water Stainless steel clamp included Guaranteed surface area using high quality custom blended polymer 100% hand made in the UK - guaranteed against manufacturing defects for life (single user, non-transferable) Long lasting and hard wearing Internal Neck Diameter (mm) Overall Filter Height (mm) Outer Diameter (mm) Material Unit Quantity 51 117 78 Twin Layer Foam Body / Polymer Neck 1
