### Opis produktu

Crankcase breather hose for VW T5 1.9

This hose connects between the cam cover and inlet pipe, designed to fit vehicles with the **AXB**, **AXC** and **BRS** engine codes to replace OEM Part No. 038 103 493 AM

This breather hose for the VW T5 1.9 is Fluoro lined to prevent oil leaking through the silicone and discolouring it over time.

Available in red, blue, and black - simply select your choice in the options above. Complete with the appropriate hose clamps.

This breather hose also compliments the Forge Inlet hose [FMINLH4](#).

- The Forge silicone hose in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty\*
