Cena netto	<b>365,98 zł</b>
Dostępność	<b>Na zamówienie</b>
Numer katalogowy	<b>379174955</b>
Kod producenta	<b>FMT5TBHC</b>

### Opis produktu

An alloy bayonet coupler for the VW T5 Transporter TDI. This replaces the original turbo coupler which, due to a very sloppy fit, is prone to leaking.

We have redesigned this coupler so that it fits perfectly with minimal movement thus meaning no wear and no leaks.

The coupler is compatible with the following engine codes: BPC, BNZ, AXD, BLJ, and AXE.

**PLEASE NOTE: THE ORIGINAL O-RINGS/SEALS MUST BE RETAINED FOR USE ON THE FORGE HOSES**
