### Opis produktu

This part replaces the stock white plastic filler, blue lid and plastic tube that leads to the main washer bottle in the inner wing, as they look a little out of place in the engine bay. The filler is replaced by an aluminium spun bottle with a Forge cap, and the tube is replaced with our own silicon hose.

This product will fit:

VW Scirocco, Golf Mk5 (2004+) Mk6 (2009+), Jetta, Touran, Caddy and Eos  
Seat Leon/Leon 4 (2006+), Altea (2004+) and Toledo (2005+)  
Skoda Octavia (2004+) and Superb (2008+)  
Audi A3/S3 (2004+)

**This part replaces the unsightly stock white plastic filler, blue lid and plastic tube that leads to the main washer bottle in the inner wing.**

**The Forge Motorsport replacement bottle and cap is machined from aluminum billet and the tube is replaced with our own silicon hose.**
