Opis produktu

IT'S BACK. The Gen4 CompGate40 and HyperGate45 have been approved for continuation and re-introduction at an all-new price! Still Australian-made! Still a rock-solid performer! Still, hand assembled and individually tested before shipping! One change - A price drop! Turbosmart is proud to announce the product continuation, re-introduction and price drop of their Gen4 CompGate40 and HyperGate45 external wastegates. This re-introduction with reduced pricing will help those of you who need a lower-spec solution but still want that Australian-made, hand-tested quality you get from a manufacturer with over 25 years of experience! The Gen4 HyperGate45 is a 4th Generation external wastegate packed with value, performance and reliability! If you need a 45mm external wastegate and don't have motorsport in mind, this is the solution for you! Genuine street performer with good flow & heat characteristics, which is suitable for pump fuel and e85 applications Available in Gen4 CompGate40 7 psi & 14 psi 40mm External Wastegate Gen4 HyperGate45 7 psi & 14 psi 45mm External Wastegate Features V-Band inlet & outlet to suit 44/46mm peer fitment Unique locking collar design Stainless Steel cast body & Aluminium actuator housing It can be fitted with springs from 3 to 26psi Solid piece Stainless Steel valve Proprietary high-temp silicon Nomex diaphragm Twin 1/16" NPT reference ports
