Opis produktu

Make someone feel special by giving them the gift of this Forge Motorsport Wooden Merchandise Box. This high quality package is the perfect present, containing everything that someone interested in the Motorsport industry needs!

- Have a nice drink from the livery mug.
- Keep your keys on the limited edition run of Forge Motorsport Lanyard that comes with a built in bottle opener.
- Put the credit card sized bottle opener in your wallet or purse so you can still open that beer (or non-alcoholic beverage) when you forget your keys...
- Give them the logo badge in either blue, red or black so that it can nicely match to their car or any other surface.
- The Forge sticker in the bright "Forge Blue" can also be used to proudly represent us, the same way we appreciate you.
- Hang the alloy key ring alongside your keys on that lanyard.

And of course this all comes protected by the foam cut outs of the Official Merchandise box. When you've taken everything out, you can remove the foam and use the box as a handy storage device.

"Fantastic box with fantastic contents. The badge is great quality and looks amazing. Love the mug, as it fits a substantial amount of coffee in. Lanyard, bottle opener and key ring all great quality too and a nice fair size forge logo sticker to finish the kit off. Perfect for the forge lover"
