Xtreme Heavy Duty Sprung Ceramic - KGM24020-1B

Cena brutto	3 398,99 zł
Cena netto	2 763,41 zł
Numer katalogowy	KGM24020-1B
Kod EAN	9337467212945

Opis produktu

The Stage 2 clutch uses an upgraded pressure plate combined with a ceramic friction disc in sprung configurations. The stage two clutch range is designed for road and track going vehicles that require a higher torque capacity and temperature tolerance, and faster engagement. Clutch engagement is more aggressive than stage 1, so it is not recommended for daily driven vehicles. These kits feature a high quality cover with increased clamping force compared with standard, between 20-40% depending on the demands of the individual vehicle. They use a ceramic "paddle" friction disc which can result in more noise and harsher engagement.
