Xtreme Heavy Duty Sprung Ceramic - KNI25025-1B

Cena brutto	**3 499,01 zł**
Cena netto	**2 844,72 zł**
Numer katalogowy	**KNI25025-1B**
Kod EAN	**9337467083088**

Opis produktu

The Stage 2 clutch uses an upgraded pressure plate combined with a ceramic friction disc in sprung configurations. The stage two clutch range is designed for road and track going vehicles that require a higher torque capacity and temperature tolerance, and faster engagement. Clutch engagement is more aggressive than stage 1, so it is not recommended for daily driven vehicles. These kits feature a high quality cover with increased clamping force compared with standard, between 20-40% depending on the demands of the individual vehicle. They use a ceramic â€śpaddleâ€ť friction disc which can result in more noise and harsher engagement.
