Opis produktu

The Mishimoto SR20DET replacement starters are made specifically for the Nissan S13/S14/S15. A common problem with the factory starters is that they often go bad and need replacing. It is extremely difficult to find this replacement part and even harder to find brand new OEM replacements. Mishimoto knows exactly what drivers are looking for which is why we have developed brand new OEM SR20DET replacement starters. No more searching or spending a fortune, Mishimoto has what you're looking for. All Mishimoto SR20DET replacement starters come with a lifetime warranty.
