Opis produktu

A direct fit high performance replacement for the factory all plastic unit, the Turbosmart Kompact BOV suits the Hyundai i20N. The Turbosmart unit is made of billet aerospace-grade aluminium with high temperature seals that allow for minimal leakage and a complete seal across the bypass aperture providing as much performance as possible.

Benefits include:

- Direct fit upgrade for the factory BOV on the Hyundai i20N model.
- Packaged with a blanking plug to switch the unit into the pure vent to atmosphere or plumb-back modes
- All billet CNC construction and attractive anodized finish
- Manufactured, assembled and validated in-house at Turbosmart HQ
- This product can be used as a Dual Port or a Plumb Back unit.

*Note: This product is only suitable for the 1.6L i20N.

If you are after a BOV for the 1.6L i30 N-Line, Kona N-Line or Veloster N-Line, the correct product part number is TS-0203-1032
