Opis produktu

IT'S BACK. The Gen4 CompGate40 and HyperGate45 have been approved for continuation and re-introduction at an all-new price!

Still Australian-made!
Still a rock-solid performer!
Still, hand assembled and individually tested before shipping!
One change – A price drop!

Turbosmart is proud to announce the product continuation, re-introduction and price drop of their Gen4 CompGate40 and HyperGate45 external wastegates. This re-introduction with reduced pricing will help those of you who need a lower-spec solution but still want that Australian-made, hand-tested quality you get from a manufacturer with over 25 years of experience!

The Gen4 CompGate40 is a 4th Generation external wastegate packed with value, performance and reliability! If you need a 40mm external wastegate and don't have motorsport in mind, this is the solution for you! Genuine street performer with good flow & heat characteristics, which is suitable for pump fuel and e85 applications.
