Opis produktu

Clutch Pro has a reputation throughout Australia and now in Europe for supplying the highest quality original equipment type clutch kits, clutch components, systems and accessories. Clutch Pro globally sources from respected original equipment manufacturers to complete their comprehensive range. The Clutch Pro range covers passenger car clutch components and systems with over 1600 new clutch kits in its standard replacement range. The Clutch Pro range has been developed to meet the growing demand for new clutch kits here in Europe and World-wide. Clutch Pro is continually building their range of flywheels, accessories and fitting tools, providing all the equipment necessary for easier, problem-free installations.
