### Opis produktu

Upgrade Your Mercedes AMG with RacingDiffs Performance LSD Clutch Pack Enhance the performance of your Mercedes AMG S chassis model, including A205/C205, GLE, E, GLC AMG S models, and AMG GT, with our innovative Performance LSD Clutch Pack. Specifically designed for the limited slip differential unit found in these vehicles, this repair kit offers a cost-effective alternative to expensive factory solutions. Fitment: Mercedes AMG Models: A205/C205 GLE E GLC AMG S models AMG GT Factory LSD unit from W205 & W206 C63 AMG Key Features: Unique Repair Kit: Our Performance LSD Clutch Pack is the only one of its kind on the market, providing a new clutch stack and an essential component: the Belleville washer. Mechanical Preload: The Belleville washer introduces a mechanical preload of 100Nm, ensuring a consistent and reliable lock, regardless of any imperfections or delays in the electric motor actuator. Enhanced Performance: This innovative solution addresses the common problem of clutch stack thickness loss, restoring the full potential of your limited slip differential unit and eliminating performance limitations and differential malfunctions. Why Choose RacingDiffs Performance LSD Clutch Pack? Cost-Effective Solution: Avoid the high costs of factory replacements by opting for our affordable and efficient repair kit. Improved Reliability: Ensure optimal performance with a consistent lock, even after the clutch stack has lost thickness. Easy Installation: Direct replacement of stock parts with no modifications required. Recommended Oil: For optimal performance, RacingDiffs recommends using Motul Gear Competition 75w140 oil with all our products. Upgrade and Maintain Your Differential: Transform your driving experience with RacingDiffs Performance LSD Clutch Pack. Unleash the true power and agility of your Mercedes AMG vehicle, ensuring outstanding performance on the road or track. OEM Part Numbers: 2053504235 A2059060302 2059060302 A2054401835
