Opis produktu

Upgrade Your Porsche Manual Gearbox with RacingDiffs Clutch Pack RacingDiffs LSD clutch pack fits seamlessly into the Porsche Manual gearbox, providing superior performance and durability. This kit is essential for Porsche Boxster and Cayman models, ensuring enhanced traction and handling, especially for track enthusiasts. Fitment: Boxster / Cayman 987 ('05 - '12) - All models Boxster / Cayman 981 ('12 - '16) - All models 718 Boxster / Cayman (982) ('16 - present) - All models Kit Includes: 4x Clutch/friction discs 4x Hardcore dog ear steel plates Key Features: Superior Cooling and Viscosity: Clutches are perforated for better cooling and excellent viscosity, effectively resisting oil build-up in the holes between dog ear plates. This design improves cooling efficiency, similar to drilled brake discs. Enhanced Grip and Durability: RacingDiffs plates provide more grip and superior durability, making them an absolute must-have for everyone who visits the track regularly. High-Quality Construction: Our clutch plates are made from top-quality materials, designed to withstand extreme conditions and provide long-lasting performance. Why Choose RacingDiffs LSD Clutch Pack? Improved Cooling: Perforated design enhances cooling efficiency. Durability: Constructed from high-quality materials for exceptional longevity. Enhanced Performance: Provides better traction and handling for your Porsche. Recommended for Track Use: For those who regularly visit the track, our clutch pack ensures your Porsche performs at its best, providing the grip and durability needed for high-performance driving. Upgrade Your Porsche Differential: Ensure your Porsche is equipped with the best. Upgrade to RacingDiffs LSD Clutch Pack for superior handling and performance. Order now!
